

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust

The Gokhale Education Society is committed to uplifting the weaker sections of society of the more than 140 educational institutions run by the Society, many of them are in tribal and rural areas. This college was established with a view to cater to the population in the far-flung North-western suburb of Mumbai, Borivali. In keeping with this vision, our college caters mainly to the economically weaker sections of society. Majority of the students belong to the middle and lower middle class sections, with many of them being first generation learners. The college strives to motivate these students by adopting various measures. Students are given the facility of paying fees in installments for the Self Finance courses and for the Regular B.A. and B.Com. courses. The college provides Earn and Learn opportunity to our students as and when required. The first generation learners were provided mentoring and career guidance that helped them in improving their academic performance as well as to set their future goals. Students were mentored online by respective subject teachers to resolve their doubts. This encouraged students to continue with their studies thereby minimizing drop-out rates. The mentoring by teachers has helped the students to cope up both emotionally and academically to deal with the pandemic situation.
