

# 2020-2021

## **Fundamental Analysis- Equity Market (BBI)**

**Date: 8<sup>th</sup> February 2021**

**Time: 10.00 am onwards**

### **Photographic Evidences:**

Seminar focused on the technique where the investors can spot the organisations that are fundamentally sound and invest in them for the long term. This is accomplished by examining a variety of fundamental indicators and factors.

The B.Com Banking and Insurance department had organised webinar on **8<sup>TH</sup> FEBRUARY 2021** on FUNDAMENTAL ANALYSIS- EQUITY MARKET - speaker Mr. Sunny Vaity (Sub Broker Sub Broker Sharekhan). Number of students participated in this online webinar. We provided the link of seminar in our College whatsapp group of all respective class.

Fundamental Analysis provides the understanding of fundamental concepts of financial markets and market participants. The main objective of webinar was to employ tools of financial analysis for examining company fundamentals. It explains the structure of global markets in which equities trade. Through this fundamental analysis webinar the participants were able to understand the economic and industry environment in which companies operate

The students enthusiastically participated and ask some questions regarding equity cash market. They found this Webinar very informative and knowledge enriching.

The team Faculty member included in this webinar are :

Mrs.Smruti Salunke (BBI – Co-ordinator)

Mr. Jidnesh Vetal (Assistant Professor)

Ms. Sailee Mhatre (Assistant Professor)

## **Technical Analysis- Equity Market**

**(BBI)**

**Date: 10<sup>th</sup> March 2021**

**Time: 10.00 am onwards**

### **Photographic Evidences:**

The seminar focused on the Stock futures which is very much appreciable on the grounds that it gives deep insights about the stock futures market.. The speaker elucidates the role of derivative futures in Indian financial markets

The B.Com Banking and Insurance department has organised webinar on **10<sup>TH</sup> MARCH 2021** on technical analysis by speaker Mr. Sunny Vaity( Sub Broker Sharekhan). Number of students participated in this online webinar. We provided the link of seminar in our College whatsapp group of all respective class.

Technical analysis is important to understand the theory of investment and trading in markets. It focussed on defining and applying momentum indicators to make buy and sell decisions. Technical Analysis provides the correct entry and exit timing and prices through study of charts.

The main objective of webinar was to equip the participant with necessary stock market theoretical and practical know-how so that students can apply the same in researching equity markets for wealth creation. It introduces them to the process of how to find and analyze companies, determine the risk of a stock investment or trade, proper entry and exit time of the stock, understand why markets move the way they do, and helps you choose the right trading style for their personal goals using correct approach to financial planning. The students enthusiastically participated and ask some questions regarding equity cash market. They found this Webinar very informative and knowledge enriching.

The team Faculty member included in this webinar are :

Mrs.Smruti Salunke (BBI – Co-ordinator)

Mr. Jidnesh Vetel (Assistant Professor)

Ms. Sailee Mhatre (Assistant Professor)

Students understood that the price movement of the shares can be determined by using technical analysis and accurate buy & sale decision can be made so that the investor can minimize their risk and maximize their profit.
