

M.COM (ACCOUNTANCY)

DEPARTMENT REPORT

2020-21

M.COM (ACCOUNTANCY) department starts its activities with an orientation programme for the first year students. This orientation programme aimed at creating awareness amongst students about university rules for their course, college discipline, passing standard, library facility, computer lab.

Teaching method at our department includes lectures, case studies, seminars and research project. The students actively participated and were involve in research activities.

A Career guidance online conference was conducted for our students along with Dr. T. K Tope College informing the students about various career path that can be opted after M.com.

Most of the students are already on job and many are pursuing various professional courses like CA, CA, CFA, NET, SET, ICWA, PGDM, along with the M.COM course. Guidance regarding the same is also imparted on a regular basis.
