

MASTER OF COMMERCE (M.COM)

Department Report 2021-22

The importance of commerce education was never been so high, as today. There is a continuous change in the environment and it is continuously interacting with the subject matter making many older subjects obsolete and providing path for the newer insight. To provide such newer insight into the subject and fulfilling aspirations of the students, the Master of Commerce (M.com) got started in the year 2012 under the aegis of our college.

The successful completion of this course shall enable the students to learn the techniques of profit maximization and wealth maximization, demand supply analysis indifference curve and utility analysis and many more.

Programme of Master of Commerce organized various programs and conducted different activities throughout the year to enhance skills and competencies of the students.

A) Management week

Faculty of Commerce and self finance have formed a platform to conduct activities for overall development of students.
