

The Department of Economics

Academic year 2018-2019

The Department of Economics was established in the year 1979. Right from the inception, it is a major Department. Economics is a compulsory subject in Commerce as well as in Arts stream. However, in the Arts stream, at the third year level, it is optional, students are allowed to opt for all six papers of Economics.

The Dept. of Economics envisions to imbibe in students, knowledge, values & attitude that would help them to develop positive approach towards economics & have a better understanding of economic issues. The Department also aims to broaden students' understanding of economic problems & policy measures. The Department also aims to make students realize the significance of Economics in real life & impact of Government's Economic Policy decisions.

The Department is headed by Dr. S.B. Karande (HOD) and the faculties in the department are Mr. M.B. Khobragade; Mr. C.T. Patil and Miss. Suhas Sawant.

In the academic year 2018-2019, under the able guidance of the HOD-Dr. S. B. Karande, the Department conducted various curricular, co-curricular and extracurricular activities. These activities are as follows-

The Department of Economics with Planning Forum had jointly organized an Elocution competition on 25th February, 2019. Farmers suicide in India was the topic for the Elocution competition. For this competition 15 students were participated.

One-week value added programme was organized by the Department in Collaboration with Bombay Stock Exchange from 18th February 2019 to 23rd February 2019. In this programme on an average 97 students were attended the session of BSE.

The Department arranged the BSE visit for the students on 14th march 2019 where 60 students registered and visit the Bombay Stock Exchange Premises.

The Department is extremely thankful towards the Principal Dr. Mrs. S.V. Sant for her constant guidance and support for conducting all these co-curricular and extracurricular activities.

Dr. S. B. Karande
Head Department of Economics
