Department of Psychology-A.Y. 2021-22**

The Department of Psychology has been very instrumental to sensitize and teach the students on various topics of Psychology.

Apart from regular teaching, the department has counseled students to handle and overcome anxieties related to COVID-19. The department had also organized a Guest lecture on guiding the career opportunities in the field of Psychology for the young minds to explore their future.

The department also runs a counseling center that conducted various activities for students. Some of them are, Essay writing competition, a Poster-making competition, and a Guest lecture promoting ideas toward positive mental health during such difficult times.
