Department of Psychology-A.Y. 2022-23

The Department of Psychology has been very instrumental to sensitize and teach the students on various types of Psychology.

An exhibition was conducted on the foundation day of the college displaying 75 years of Indian Independence, the Department of Psychology had some charts showcasing some of the contributors of the field of Psychology in 75 years.

Apart from regular teaching, the department has conducted a lecture on developing basic counselling skills among the students and also guiding the future opportunities in the counselling field through a guest lecture on "Counselling and It's Future Prospects" in the first half of the academic year.

In the second half of the academic year a guest lecture was organized named "Making Classrooms Inclusive" and a two-day event named "PsychScope".

Guest lecture on "Making Classrooms Inclusive" was organized with the motive of sensitizing people about how to communicate with people from different cultural backgrounds, different ethnicities, people with physical or mental disabilities in the college and in the real world.

"PsychScope" was organized to familiarize the students of Psychology with its classic experiments and a guest lecture on Art Therapy.

The Department also runs a counselling centre that conducted activities and lectures for students.
