

Bachelor of Management Studies (BMS)

Co-ordinator: Mrs.Prachi Kadam

BMS degree is the stepping stone towards MBA which will prepare the students to enter the corporate world and take up entry level roles in various sectors. The course trains students in the various aspects of managing a company. The course gives students a strong foundation in the management field and makes it easy for them to get an MBA degree and move into the higher leadership roles.

The course has specializations of Finance, HR and Marketing. These are taught through theory classes , case studies , presentations and practical assignments. Student also have to undertake a project work. To fill the knowledge and experience gap, the course mandates students to undertake an internship, through which they get hands-on experience of the real world.

The college also conducts seminars, workshops, guest lectures and conferences to help students improve their communication skills, team spirit and strategic thinking. The students have actively participated in sports, Inter and Inter college activities in academic year and have won many prizes.
