

ACCOUNTING AND FINANCE DEPARTMENT

2019-20

B. Com with Accounting and Finance course was started in the year 2007-08. This course is a highly career-oriented course. The overall aim of the course is to render students with both quantitative and business skills, thus providing a strong base for the field in order to acquire the required competence of leadership and managerial role in the financial sector.

The syllabus aims to provide a systematic study of the concepts related to the specialised subject. The students have chances to explore the area of Research, sectors including banking, corporate as well as holding Gazette positions. Here the students are trained to understand the numerical and quantitative aspect of the course by organising **Festival of Finance (FEST-O-FIN)**.

To fulfil our Vision and Mission, along examination the department carries out Presentations, Assignment, Seminar on specialised subjects as well as on recent market topics, Group discussions, Industrial Visit to various industries like **Siyaram Silks Mills Ltd in Boisar** and to **Inter Solar Systems Pvt. Ltd. in Chandigarh**, Job Orientation and Placements from companies like **ICICI Prudential, TCS** etc.

The Department also gives understanding to the students about the value of nature and the society through Tree Plantation in college area.

Students perform **Excellent** in Academics as well as in many Co-curriculum activities. Many students participate in inter and intra college activities like sports, various competitions like Rangoli making, Face painting, Essay writing, etc. Also, many students are members of NSS.
