

# ACCOUNTING AND FINANCE DEPARTMENT

2022-23

B. Com with Accounting and Finance course was started in the year 2007-08. This course is a highly career-oriented course. The overall aim of the course is to render students with both quantitative and business skills, thus providing a strong base for the field in order to acquire the required competence of leadership and managerial role in the financial sector.

The syllabus aims to provide a systematic study of the concepts related to the specialised subject. The students have chances to explore the area of Research, sectors including banking, corporate as well as holding Gazette positions. Here the students are trained to understand the numerical and quantitative aspect of the course by organising **Festival of Finance (FEST-O-FIN)**. The students have actively participated in sports, Inter and Intra college activities

## Orientation Programme:

For students in first-year accounting and finance, BAF Coordinator Prof. Kavita Dangle conducted an "Orientation Programme" on July 23, 2022. The orientation programme gave detailed information about the course, subjects, examination pattern, what activity they conduct and also spoke about the subject grading and credit point.
